# THE LAST SACRIFICE SALE OF THE SEASON.

We have made a sensation this season, such as has never been seen in the Clothing Trade of Helena. Our aim is to make a reputation lasting and strong as Gibraltar's Rock-a reputation for selling goods, a reputation for selling goods at small profits. At this particular time our aim is to sell as much as we can and to lose as little as possible, for on whatever we sell we make a losing. We hold the first loss is the best loss, and when we have a stock of goods and wish to dispose of them, we cut them down to a point where values are slaughtered and profits unknown.

# WE OFFER THIS WEEK:

50 Suits, Worth \$10.00, 15.00, 7.50. 100 10.00. 20.00,

Remember this is positively the last chance this year to buy a line of nice, desirable patterns at about half their value. What are not sold this week will be taken from our counters and stored away. We prefer to turn them into money, even at a loss, rather than carry them over.

### SLAUGHTERING PRICES IN SHIRTS & UNDERWEAR.

20 dozen Shirts, Prints, Worth 75c. at 25c. Each.

Percales Worth \$1.50 at 75c. Each.

Stripe Underwear, Worth \$1.50 at 75c. Each. 250 at \$1.50 Each.

They'll all go this week. They are just half the value, and an appreciative public will be sure to gobble them in. We therefore suggest, as the lines are small and demand is great, call early.

# Something to Notice:

We are taking advance orders on custom suits-that is for people who have a desire to have their measures taken and clothing made to order-not but what we can do as well out of stock. You can be fitted in our tailor-made suits and we defy any establishment to turn out a line of goods that will look better, fit better, or wear better. We mention these points to those to whom ten or twenty dollars may be an object. We can do as well with our stock suits as any tailor can by taking measures.

# OVERCOATS, REEFER JACKETS.

We have received the largest portion of our Overcoat stock during this week. Quite a num ber have been bought by the knowing ones, who want their pick and choice of the rarities. We show as many styles in fine Overcoats as any three of our competitors, and expect to be able to elaim a sa'e equal to any four competitors before the end of the season.

We deserve it. We show the goods; we name the prices. The advantages we offer in these two points can not be had from any of our competitors.

BOYS' CLOTHING & OVERCOATS! We have made a special effort in our Juvenile Department, and flatter ourselves that our efforts have met with success. But for a line of tasty, natty, children's clothing, we certainly "take the cheese." Ladies, please notice this. Those who are wisest in such matters will tell you "Harris has the prettiest line of Children's Wear," and we think we have fairly outdone ourselves. However, come and see for yourselves. With great effort we induced some of the manufacturers to make extra pants in child's sizes, and have the satisfaction of saying to our patrons
